YOUR ITINERARY

DAY 1 Departure

This evening, we board our flight to Osaka.

DAY 2 Kyoto, Japan

On arrival into Osaka this morning, we meet our guide and transfer to Kyoto for a sightseeing tour. We will visit the Philosopher's Path, a pleasant stone path through the northern part of Kyoto's Higashiyama district that follows a canal, lined by hundreds of cherry trees (cherry trees bloom in April). This afternoon will be at leisure.

DAY 3 Kyoto

Today our sightseeing tour of Kyoto commences at Kinkakuji, better known as the Golden Pavilion, a Zen temple in northern Kyoto whose top two floors are completely covered in gold leaf. Formally known as Rokuonji, the temple was the retirement villa of the shogun Ashikaga Yoshimitsu, and according to his will, it became a Zen temple of the Rinza sect after his death in 1408. We then visit the Ryoanji Temple, the site of Japan's most famous rock garden. Originally an aristocrat's villa during the Heian Period, the site was converted into a Zen temple in 1450 and belongs to the Myoshinji School of the Rinza sect of Zen Buddhism. Later we visit Gion, Kyoto's most famous geisha district made famous from the novel and film *Memoirs of a Geisha*. It is filled with shops, restaurants and ochaya (teahouses), where geisha and maiko

(geisha apprentices) entertain. We finish with a visit to Fushimi Inari Shrine to see the famous red Torii gates. This evening we will enjoy a Welcome Dinner.

DAY 4 Kyoto

Today we will visit Ginkakuji, consisting of the famous Silver Pavilion and Nanzenji Temple, whose spacious grounds are located at the base of Kyoto's forested Higashiyama Mountains, and is one of the most important Zen temples in all of Japan. In 1482, shogun Ashikaga Yoshimasa built his retirement villa on the grounds of today's temple, modelling it after Kinkakuji (Golden Pavilion), his grandfather's retirement villa. The villa was converted into a Zen temple after Yoshimasa's death in 1490. After visiting Ginkakuji, we travel to Nanzenji. Later we visit the Imperial Palace, which was the residence of the Imperial family until the capital was moved to Tokyo in 1869. Within the Imperial Palace grounds, which are enclosed by a roofed earthen wall, are the Seiryō-den (Palace Hall) and the Kogosho (Minor Palace) – reminiscent of the dynastic age.

DAY 5 Tokyo

This morning, we are transferred to the railway station for our exciting "Bullet train ride" on the famous Shinkansen train to Tokyo traveling up to 270 kmph. On the way we pass Mt Fuji and if the weather is good we will see it. Upon arrival we have an orientation tour of the city and see the famous fish market and the Asakusa district, well-known as a region of old Tokyo. We see the Asakusa Kannon Temple, a Buddhist temple also known as "Sensoji." The temple was built in 645 A.D with the finest Japanese architecture. Later we are transferred to our hotel.

DAY 6 Embarkation

The morning is free for individual sightseeing and shopping. Early afternoon we are transferred to the port to board the Celebrity Millennium. Make sure you're up on deck as the Celebrity Millennium slips her moorings and we start our cruise around Japan.

DAY 7 At Sea

A day at sea to explore the fabulous facilities of this magnificent ship. This afternoon we have a fun session of Trivial Pursuit. You will be divided into groups, with prizes for the winners!

DAY 8 Osaka

Think of Osaka as a combination of Los Angeles and Chicago. It definitely has LA's second-city complex, but its attitude is pure Chicago. This morning, we enjoy a sightseeing tour including the Osaka Castle. Built in 1583 and destroyed just 32 years later, the castle has undergone many reconstructions, the most recent in 1931. Its walls encompass the Municipal Museum and the Hokoku Shrine, which is dedicated to its original owner, Toyotomi Hideyoshi. We will also visit the Shitennoji Temple, built in the year 593 and believed to be the oldest Buddhist temple in Japan. The Celebrity Millennium remains docked overnight in Osaka.

DAY 9 Osaka

We continue our sightseeing of Osaka today. We enjoy the panoramic view of the entire city from the Floating Garden Observatory standing in the top of Umeda Sky Building, and stroll along the bustling Dotonbori Shopping Area.

CELEBRITY MILLENNIUM

Refurbished in 2016 the Celebrity Millennium made its debut in 2000 and was the first-in-class flagship for Celebrity. The soft hues and stately public spaces; the tortoise-shell onyx stairway at the centre of the ship; the diverse art around every turn; the stunning space in the Cosmos Lounge with its wraparound floor to ceiling windows, contemporary design, glittery dance floor, Art Deco-style lighting system and light woods; the clubby, homey feeling of Michael's Club; and the contemporary-mixed with- Deco design of the Metropolitan Restaurant offer an eclectic experience to those on board. Private balconies offering panoramic landscapes of mountainous coastlines and stunning ocean sunsets. Attentive and intuitive service that delights in the personal touch. A voyage on the Celebrity Millennium is an exceptional experience to be remembered.

CLOTHING ONBOARD

During the day, casual clothing is typical, although shorts and swimwear are not permitted in the restaurants. On up to two nights on every cruise, Evening Chic applies. Evening Chic attire is replacing Formal attire. While dressier than Smart Casual, Evening Chic is intended to be less dressy than Formal attire. Women should feel comfortable wearing a cocktail dress or a skirt, pants or designer jeans with an elegant top and men should feel comfortable wearing pants or designer jeans with a dress shirt, button-down shirt or sweater. A sport coat or blazer is optional. Evening Chic means that you can get glamorous and be sophisticated in your own way. If you would like to still wear a tuxedo or formal gown on Evening Chic nights, you absolutely should.

DON'T WORRY ABOUT COMING ALONE

About a third of people on the cruise travelling alone. We will match people in twin-share cabins when available, saving you the single supplement! You won't be left alone. The Travelrite Tour Manager will be looking after you. There will be group activities almost every day.

DAY 10 Kochi

This morning, we arrive in Kochi, the capital of Kochi Prefecture on the southern coast of Shikoku, and we enjoy a sightseeing tour of the city. We visit Kochi Castle, one of just 12 Japanese castles to have survived the fires, wars and other catastrophes of the post feudal age. The castle used to be the seat of the Yamauchi lords, who ruled over the surrounding region, then known as Tosa, during the Edo Period. The castle buildings have since been designated "important cultural properties" and now house local treasures and historical objects. We then visit the Chikurinji Temple on Godaisan, one of the eighty-eight temples along the Shikoku Pilgrimage.

DAY 11 At Sea

Another day at sea to explore the fabulous facilities of this magnificent ship. This afternoon we have a fun session of Bingo.

We explore the royal tombs at Tumuli Park and then experience the serenity of an 8th-century Bulguksa Temple.

DAY 13 Nagasaki

Today we arrive in the city of Nagasaki. Best known as the site of the second nuclear attack on Japan during WWII, we have a sightseeing tour of the city. We see the Peace Memorial Park, located near Ground Zero, the centre of the blast, which is home to a beautiful memorial fountain and the 9-metre-high Statue of Peace. We will also see other parts of the city that was for 200 years Japan's port to the outside world. This afternoon the group will walk to the nearby Glover Gardens and see early European settlers' houses surrounded by attractive gardens. Group members can explore at their own pace.

DAY 14 Kagoshima

This morning, we arrive in Kagoshima, the twin city of Perth. We have a full day tour of the city known for its backdrop of the volcano of Sakurajima. We see the famous Iso-teien Garden which was laid out in traditional manner in 1660 by the 19th Shimazu Lord, a family that ruled this part of Japan for 29 generations spanning 700 years.
