# In Search of the Northern Lights

## FULLY ESCORTED CRUISE

Northern Norway is one of the best places in the world to see the Northern Lights, or Aurora Borealis. The Northern Lights appear only at high latitudes on dark nights from September to March. There are few phenomena that capture the imagination like the Aurora Borealis and lucky star-gazers can witness anything from an ethereal green glow on the horizon to pulsating scarlet streaks across the sky. The lights come at night when the sky is dark. It's like a celestial ballet of light dancing across the night sky - one of the most spectacular sights in the world.

### Tour Highlights

- Northern Lights viewing in Tromso & Alta
- Reindeer Sledding with the Sami
- Sightseeing Tours of London, Andalsnes & Stavanger

## P&O Aurora

Mid-sized ship Aurora cuts a fine figure at sea with her elegant tiered stern, long bow and sleek funnel. She is best known for her world cruises and has everything you could want, including world class dining, spa, salon, cinema and theatre. At Aurora's heart you'll find a four-deck atrium with a stunning 35ft Lalique sculpture of two figures veiled in water. Relaxation is easy in the comfortable surroundings of Anderson's, a mahogany-paneled lounge that has a fireplace. From the vantage point of the Crow's Nest, enjoy spectacular sunsets. Head to upper decks for a tennis court, golf simulator, and third pool with sky dome. Other facilities include a virtual reality arcade, broad teak promenade deck, 12 lounges/bars, and a comfortable cinema that doubles as a concert and lecture hall.

### Clothing on board

During the day casual clothing is typical, although shorts and swimwear are not permitted in the main restaurants. The more formal Gala nights attire is for men a jacket and tie and dresses, skirts or slacks for women. There will be two Gala nights on the cruise. Other nights are classified as smart casual, which suggests a collared shirt and slacks for men and casual dresses or trousers and a blouse for women. Warm clothing is recommended for shore excursions.

### Don't worry about coming alone

About a third of people on the cruise travel alone. We will match people in twin-share cabins when available, saving you the single supplement. You won't be left alone; the Travelrite tour manager will be there to guide you. There will be group activities almost every day.

It is one of Northern Europe's best preserved collections of wooden houses and the city has received several awards for its preservation efforts. We will walk through the picturesque Old Town with its cobblestone streets and small, charming wooden houses and learn of the early history

of the city. Situated in the heart of the city is Stavanger's 12th-century cathedral, the only church to have retained all its original features since its construction in the Middle Ages.
