# School Tours

Travelrite International School Tours works with teachers across Australia to assist with planning, coordinating and managing the entire school trip process, enabling more schools to consider an educational school trip experience for their students. Our knowledgeable team will ensure a once-in-a-lifetime trip and work with you to comprehensively cater to all learning objectives.

## Benefits of a school tour

- There is no substitute for real experience in the wider world. School trips provide a great opportunity for students to gain such experience and face a range of challenges that can contribute significantly to their personal development.
- School trips are one of the things school students look forward to during their school life and the experiences and memories from them are extremely valuable.
- Enhance learning and student/teacher relationships. The attitude towards learning improves, and students become more confident, capable learners in the classroom. 60% of teachers observe an improvement in their student's performance in the classroom on return to school.
- Encourages social and personal development - group activities can develop self-confidence and improve a student's personal, social and emotional development.

## Why Travelrite International School Tours?

Travelrite International School Tours have been working with schools for 15 years to facilitate informative and inspiring school tours around the world. Our experienced team can create customised educational travel itineraries for your school. All packages are fully inclusive with flights, accommodation, activities and so much more. We have worked with schools all over Australia for various group tours in Europe, America, Asia, New Zealand, and within Australia.

## Our favourite school tours...

### International Sports Tours

Improve team building skills playing fixtures against local schools and club teams, as well as attending matches. Develop interpersonal skills and positive sportsmanship interacting with local host students, experience the local culture and see the sights.

### ANZAC/History Tours

A trip that will encourage students to reflect with gratitude on the sacrifices made on European soil by their ancestors. Spread across Turkey and France, students will have the opportunity to visit significant memorial sights and battlefields as well as seeing the main tourist sights.

### Music Tours

We have arranged successful orchestra, choir and pipes and drums school tours around the world. We will create a quality tour tailored to your school's requirements and will work closely with you to ensure the tour meets the curriculum requirements.

### Other Tours

We have also organised school group tours covering English Literature and Drama, Ancient and Modern History, Science and STEM, The Arts, and Conservation and Volunteering all over the world and within Australia. We can also arrange professional development tours for school teachers and staff.
