On our arrival into Johannesburg airport this morning we transfer to our connecting flight to Victoria Falls Airport. On arrival we are transferred to Hwange National Park and our Safari Lodge. Named after a local Nhanzwa chief, Hwange National Park is the largest Park in Zimbabwe, occupying roughly 14,650 square kilometers. It is located in the northwest corner of the country about one hour south of the mighty Victoria Falls. It became the royal hunting grounds to the Ndebele warrior-king Mzilikazi in the early 19th century and was set aside as a National Park in 1929. Hwange boasts a tremendous selection of wildlife with over 100 species of mammals and nearly 400 bird species recorded.
